

2024 SMART FARM WHOLESALE PRICE SHEET #1 ROCK DUST, BIOCHAR AND CLAY MINERALS DELIVERED IN LOOSE BULK TRUCKLOAD, BULK SACK or BAG

For packaged goods use the RDL store pages at
store.rockdustlocal.com or the catalog pages at
www.rockdustlocal.com/catalogs

REGIONAL ROCK

The *BEST Alkaline Silicates for Remineralization and Enhanced Rock Weathering:
Loose Bulk Truckload Capacities, Quarry Direct. Largest Economic Supplies in North
America Available. *Broad Elemental Spectrum Tectonic. Call for delivered pricing.

BIOMINERALS™

BioRock Foundation NFX™ 2,000 lbs. sack FOB CA \$475.
Loose Bulk Deliveries, 24-28 ton transfer trucks in California Call
BEST rock and clay minerals with pyrogenic carbon, humates and active biological
inoculants including free nitrogen fixing endophytes, beneficial bacteria, beneficial fungi,
and archaea. PULVERIZED. Broadcast to ground, 500 lbs./ acre effective application rates.

RICHMix™ Biochar USDA/NOP Compliant

RICHMix BioChar Powder 1000 lb. sack, 2000 lb sack : FOB \$ 1.65 lb.

A blend of Basalt rock dust, BioChar and Mycorrhizae in powder form.

Incorporate 70 lbs in the furrow, up to 700 lbs broadcast for tillage.

RICHMix-Humate BioChar Powder 1000 lb. sack, 2000 lb. sack: \$ 1.95/ lb.

A blend of Basalt rock dust, biochar, beneficial microbes, soluble humates and ore
in powder form, Incorporate 70 lbs./ acre in the furrow, up to 700 lbs / acre broadcast

St. GEORGE and Swanton BLACK LIME™ Char-Rock

St. GEORGE and Swanton BLACK LIME™ /BIOCHAR MIX with SMART MINERAL™

Soil Amendment and CDR Sequester (Manages GHGs on a Per Ton Basis)

Loose Bulk Truckload \$/ton: \$ 225.

1 ton = +/-1 cu yd. Manages Phosphorus and Nitrogen, Great source of Calcium and Potassium
BLACK LIME™ and BioCarbon Manages Phosphorus and Nitrogen in a Nutrient Management Setting.

ROCK DUST LOCAL PREMIUM BASALT, USDA/NOP COMPLIANT

~ Nation Wide Delivery, Local Sourcing! Inquire about Enhanced Rock Weathering ~

Rock Dust Local BrixBlend™ Basalt 2200 lb. Bulk Sack \$425. FOB

Effective application rates: 500lbs.- 10 tons/ acre (1.25- 50 lbs./ 100 sq. ft)

Available nationwide. For loose bulk 24- 32 ton truckload deliveries call.

“Blue Ridge”, Meta-Basalt Powder 2200 lb. Bulk sack Call

24-25 ton end dump deliveries Eastern and Central U.S., Sack and Bag Global

“Snow Flake” Igneous Basalt Loose Bulk Call

24 ton end dump deliveries: SW, Mountain and S. CA please call for pricing

“San Joaquin” BrixBlend™ Meta-Basalt 2000 lb. Bulk Sack **\$425.**
24-28 ton transfer truck deliveries: S., Central and N. CA, Call for delivered pricing

BLACK LIME™ USDA/NOP COMPLIANT IN PULVERIZED GRADATION
A SMART MINERAL™ FOR NUTRIENT MANAGEMENT

St. GEORGE BLACK LIME™ and SWANTON BLACK LIME™ SMART MINERALS
Unique Natural Metamorphic Carbonaceous Geology formed in a redox environment. Highly Reactive in soil settings. Manages Phosphorus* while providing a wide range of essential nutrients. Provides Natural Mineral Sources of Ca, Mg, K, P, Si, Fe, Na, S, N, Traces and Carbon USDA/NOPS COMPLIANT FOR ORGANIC PRODUCTION

St. GEORGE BLACK LIME™ Pulverized and SWANTON BLACK LIME™ Pelletized
Soil Amendment and Conditioner- Natural Mineral 1/8”-0 Screening
*Captures up to 50 lbs./ton P2O5 Solution Reactive Phosphorus (SRP).
2200 lb. sling sack pulverized, **\$435.00**
Loose bulk deliveries; 18 ton minimum. Price Per Ton FOB VT **\$ 75.00**
2000 lb. sling sack Swanton BLACK LIME™ Pellet (NOT NOP COMPLIANT) **\$475.00**

CHAR-ROCK™

BASALT/ St. GEORGE BLACK LIME™ /BIOCHAR MIX with SMART MINERAL™
Soil Amendment
Loose Bulk Truckload \$/ton: **\$ 225.**
1 ton = +/-1 cu yd. Manages Phosphorus and Nitrogen, Great source of Calcium and Potassium
2,200 lbs. (+/-1 cu yd) Sling Sack **\$ 435.**

ROCK PHOSPHATE, GRANULATED FERTILIZER, OMRI LISTED

SMART-PHOS DG: Rock Phosphate 0-20-0 Dispersible Granule (DG) 2,000 lb. tote \$ 790. FOB
8% plant available based on the standard citric acid acid test. (Highest plant availability in any rock phos.)
Good additional source of calcium and magnesium. Rates as per soil test. Typical application rates;
Crop and garden broadcast: 2-15 lbs/ 1000 sq ft., 113-684 lbs/ acre.
Agricultural use In furrow or banded: 200-500 lbs/ acre. 1 ton totes OMRI LIST

NATURAL GYPSUM, OMRI LISTED

Fertilizer Grade Granule 86% Calcium Sulphate, All natural, Fine Grind, bulk sack. \$ 385. FOB
200-500 lbs./ acre 1 ton bulk sack. For Full Truckload Loose Bulk Prices, Please Call.

Natural Gypsum Pulverized, Feed grade, bulk sack or bag. **Please Call**
Eastern U.S., Western U.S. and California

Solution Grade (-325 mesh) **Please call**

CALCIUM SILICATE, OMRI and USDA/NOP COMPLIANT

Natural Wollastonite Ore Grade Pulverized 2000 lb. Bulk Sack **\$ 585. FOB**
48% CaSiO3, 42% Diopside, Carbonates and Silicates OMRI
Natural Wollastonite Solution Grade 1 ton minimums **\$ 775. FOB**
(- 325 mesh) 50 lb bags or 2000 lb. bulk sack

MONTMORILLONITE CLAY

Natural Calcium Montmorillonite Clay, -200 mesh, 2000 lb. Bulk Sack \$ 350. FOB

DIATOMACEOUS CLAY

Natural Diatomite/Montmorillonite/Kaolinite clay, 2000 lb. Bulk Sack \$ 325. FOB

Fines and granulated gradations available, feed grade, steam treated

KS LAMPROITE CLAY/ MICROLITE “Tiny Grains that Hold the Rains”

Natural Mica Mineral 2,000 lb. Bulk sack \$75. FOB

50 lb. bags, full pallets \$80. FOB

Loose bulk per ton, full truckloads \$54. FOB

Fines, standard and granular.

BIOCHAR: PURE HORTICULTURAL GRADE Hi-CARBON CHARCOAL and REMINERALIZED and INOCULATED BIOCHAR BLENDS

Horticultural Grade Charcoal Screenings and Biochar

Wood Feedstock, 3/8-3/4” Screenings 2 c.y. bulk sacks \$ 500.00*

Wood Feedstock, 3/4”-0 Natural 2 c.y. bulk sack \$ 460.00

Wood Feedstock, 5mm-0 (1/16-0) 2 c.y. sacks \$ 630.00

Wood Feedstock, 5mm-0 (1/16”-0) 2 c.y. sacks/ 96 c.y. full truckload landed \$ 565.00

*Wood Feedstock 3/8X3/4” Screenings Loose Bulk 60,000 lb. loads/ 120 c.y. \$ 230.00

Loose Bulk Truckload, 6 mm-0 Gradation 24 ton load approx. 77 c.y. X \$ 150.00

Economy Bulk: Available NE, Mid-Atlantic, Midwest All woody feedstock biochar is
USDA/NOP compliant for Organic production. Percentage Fixed Carbon typically 74%

HUMATES: RAW ORE, LEONARDITE, LIGNITE, & EXTRACTS

Soluble Humate Soil Conditioner Powder, Economy Grade

“SOS 75” 75% Humic Acid, SOLUBLE HUMATE POWDER \$ 105.

5-12 lbs. / acre top dress or incorporated direct to ground top dress: 50 lb bag or box

For livestock bedding: mix at .5-1 lb./cu yd, for liquid manure admixture 2-12 lbs./ acre liquid

Pulverized, Screened Natural Leonardite Gradations

65% Minimum Humic Content

Natural Screenings Course- Fine 2000 lb. bulk sack \$ 385.

Powder 2000 lb. bulk sack \$ 412.

Granular 2000 lb. bulk sack \$ 495.

Ultrafine 2000 lb. bulk sack \$ 522.

The Andersons Humic Solutions * Dry Fertilizer Grade and Soluble Granules

All pricing FOB MIDWEST WAREHOUSING

HUMIC DG Humates (Dry Fertilizer Grade Dispersible Granule): \$.94/lb.

Top dress pasture, hayland or crops: 15 lbs./acre, Tillage 45 lbs, in furrow 8 lbs.

1 ton sack or 40 lb bags OMRI LIST

BLACK GYPSUM 10 DG: 85% Natural Gypsum, 10% humic acid	\$.64/ lb.
Typical application rate 150-200 lb/ acre top dress or incorporated, 12 lb./acre in furrow 1 ton sacks OMRI LIST	
BLACK GYPSUM 21 DG: 48% Natural Gypsum, 21% Humic Acid	ASK
Typical application rate 200-500 lbs/ acre, 1.2-2 lbs. / 100 sq. ft garden or raised bed 1 ton sacks or 40 lb bags. OMRI	
K-MATE SG: Potassium humate (99% humic acid) in a 100% soluble granule.	\$4.00/ lb.
Mix with liquid fertilizer and solutions in pH range of 6-12. 1 lb of K-Mate is equal to 1 gal of 12% liquid humic acid. 1-3 lbs/acre, Broadcast spray: 1-10 lb/acre, Landscape Plants: Spray 2.1 lbs/ 100 gal water. 50 lb poly bags. OMRI LIST	

SEA PRODUCTS

Calcareous Algae Flour and Crumbles

L. calcareum: Feed Grade. A Unique and Valuable Soil Amendment	\$.95/ lb.
Minimum 32% calcium in highly soluble form, 17 amino acids, a unique marine product	

Aragonite High Calcium Carbonate, Natural Marine 94.30% CaCO3

Feed Grade OMRI Min. 37.5% Calcium. Dry, Course 2000 lb. Bulk Sack	\$ 324.
Feed Grade OMRI Dry, Course 2000 lbs. 50 lb bags	\$ 368.
Feed Grade. Damp, course, unscreened loose bulk deliveries	Call

KELP

Sea Kelp, Ascophyllum Nodosum Fines (-50 mesh) 2000 lb. Bulk Sack	\$2,520.
Typical Fertilizing value: 1.43 - .27 - 1.95 (N - P - K), Bio-stimulant	
SeaCrop16™, Kelp 24% Liquid Concentrate 2/ 2.5 gal. jugs, per case	\$ 257.
Liquid Plant Growth Regulator, Hormone Cytokinin, and Biological Micronutrients	
SeaCrop16™, 55 gal. drum, 275 gal. totes Available	Call
Kelp-It™ Concentrated Liquid Seaweed Fertilizer (0-0-4) 2/2.5 gal jug case	\$ 257.
Kelp-It™ 55 gal. drum, 275 gal. totes Available (OMRI)	Call

SEA MINERALS

Sea-90™ Baja Sea Salt, Natural tidal pool evaporate 50 lb. bags, Pallet min.	\$.75/ lb.
Course Agricultural, Feed or Solution Grade	

CRUSTACEAN MEAL

Blend Crab and Shrimp Meal, Bulk Sacks, In Season, High Quality	Call
Fresh Catch, USDA/NOP compliant, with or without Molasses, Domestic	

FISH MEAL, EMULSIONS HYDROLYSATE AND PROTEIN EXTRACTS

Extracted proteins, bone meal, and emulsions. Liquids and powders	Call
--------------------------------------------------------------------------	-------------

CROP SYNERGISTS

High Fulvic Acid Mineral Liquid Concentrate

AgTonik (Fulvic Mineral Liquid Concentrate) OMRI	\$95./ gal
1 ml/ gal in solution for fertigation, foliar application, teas, livestock drinking water conditioner 1 quart per acre typical application for fruit, veggies, grains, medicinals	

Natural Bioflavonoid Extract Liquid Concentrate

QUALITY COMPOST AND GREENHOUSE GROWING MEDIA**High Humic Compost, Remineralized Growing Media, Lightweight Aggregates**

Please inquire for regional sourcing and delivery. Loose Bulk and Bulk Sack.

INOCULANTS: www.rockdustlocal.com/biologicals or call**Beneficial Microbes, Mycorrhizae, Bacterium, N Fixing, P Solubilizing...**

Too numerous to list. Please call or email for product lists and usage protocols.

BIOLOGICAL and NATURAL PEST CONTROLS**Neem, Beneficial Fungi and Bacterium, Cover Sprays, Minerals...**

Please call or email for product list and usage protocols. Complete Management.

CONSULTANCY FOR GROWERS! TRUST EXPERIENCE

Rock Dust Local and its partners furnish complete support for best management practices to those seeking to integrate RDL supplied materials into current or future growing operations. Our specialty is biological growing method. Most products listed in this catalog are either USDA/NOP compliant or OMRI list for certified organic production. We provide support for commercial conventional, integrated, trans-organic and certified organic growers. We fully integrate Enhanced Rock Weathering for carbon removals within sound agronomic practices based on regenerative and restorative biological management methods.

Our goal is to serve the interests of growers in producing high quality crops at the most affordable price. Our mission is to support a biological and regenerative agricultural method that is healthy for the growers and livestock, produces nutritious food and highly functioning landscapes. We seek to revitalize the biosphere, mitigate catastrophic climate change and build a healthy society for all God's creatures.

The Good Word:

12. And *they that shall be* of thee shall build the old waste places: thou shalt raise up the foundations of many generations; and thou shalt be called, The repairer of the breach, The restorer of paths to dwell in.

~ Isaiah 58
